Pack 914 Snow Day
Skiing, Snowboarding, and Tubing
Friday, January 22, 2010
Soda Springs Mountain Resort

Soda Springs has asked that we be at the resort by 8:30am to give us time to equip all our skiers and snowboarders before the lessons start at 10:00am. Which means **leaving** the Livermore area around **5:30am** and **returning** around **7:00pm**.

The Pack is not planning this event as an overnighter. Families are free to make their own arrangements to stay the night at local establishments. Families may even coordinate to stay at the same establishment, but please do not register under the Pack or your Den.

Pack 914 Class B attire is encouraged, however dress for the weather and activities of the day. Please plan your own meals and snacks for the day. Soda Springs does have a small café for those who wish to purchase food and refreshments on the mountain.

Please return the **registration form** below and fees by **Saturday, January 16th** to Doug Benedict.
